

YayValet.com: The New Way to Valet – Shipping Requests

Hallandale Beach, FL, August, 2010: YayValet® introduces shipping requests! A simplified and convenient way to have luggage and packages shipped.

FOR IMMEDIATE RELEASE

[PRLog \(Press Release\)](#) – Aug 13, 2010 – Hallandale Beach, FL, August, 2010: YayValet® introduces shipping requests! A simplified and convenient way to have luggage and packages shipped. President of YayValet David Lidskin said, “In this day and age with airlines charging premiums for luggage and the ever-growing complexity of everyday life, YayValet® has developed a new way to get shipping done.” Currently there are 5 locations across in South Florida using this new and exciting service, with more to follow. Requests can be made by going to <http://www.yayvalet.com/> or by phone.

To use by phone:

1. Users dial 877-YAYVALET (929-8253).
2. Users then enter the store pin #
3. Users enter their contact phone number.
4. A store representative returns the call to schedule a pickup.

MBE – Hallandale Pin #1011937

UPS - Miami Gardens Pin #1024253

UPS – 6538 Collins Ave. Pin #1023041

UPS - South Beach Pin #1021666

UPS – Coral Gables Pin #1022232

Example of a YayValet Shipping Requests facilitated by a limousine service:

1. A company or an individual books an airport run in or out of south Florida with Aventura Worldwide Transportation Services.
2. Customer is offered YayValet luggage shipping service with immediate free pick up
3. Customer accepts this offer to ship their luggage, golf clubs, etc...
4. A reservation specialist at Aventura Worldwide Transportation Services enters shipping information at www.yayvalet.com
5. The closest shipping establishment to the pickup location will receive a YayValet shipping requests.
6. The shipping store employee proceeds to the pickup location to retrieve the items to be shipped.

The items are boxed, insured (if requested) and shipped via UPS, FEDEX, DHL or any specialized carrier or freight forwarder. Items may be sent Ground or Air based on the Customer's time constraints (An additional shipping label can be inserted for the return portion of the trip.)

It's that simple- Immediate clear and concise YayValet ® shipping requests are handled directly by the nearest UPS or Mailboxes Etc store. The items are scheduled, picked up and shipped. YayValet ® takes the stress out of shipping your bags when traveling
